NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

It is hard to think of anything that could bring more joy to an area than this past weekend's rain — unless it would be more rain. The rains made a big dent into the drought the area has been suffering from but of course it will take more before we can say the drought is broken.

Of course when you need rain as badly as we did nothing else really matters if you can get the rain, but it did cause a few mixed emotions because of the district track meet and the airport dedication.

It did seem a shame that the kids had to compete under the conditions forced on them Saturday in Abilene and after all of the work that went into planning the big airshow at the airport it was disappointing that it all had to be called off.

But still this was a small price to pay for a good rain.

It was better to have to run in the rain than in a dust storm and better to call off the airshow for the same reason.

It is hoped now that the airshow can be rescheduled for later in the year. It is some time before the people that put on the airshow have a weekend free so it will be awhile before the arrangements can be made.

Probably the only real casualty of the wet track Saturday was David Willis who had the best time in the district in the 330 intermediate hurdles only to slip on the wet track and fall in the preliminaries. David likely missed a chance to go to Lubbock because of the rain but since he is only a freshman there will be other years for him.

A few projects here recently have made me more and more convinced that Hamlin or any place else can do anything that it wants to if only one or two people can be found who really want it to happen. It doesn't take many but those few have to be willing to overcome a lot of opposition and apathy.

Recent projects here that convince me of this are the airport, the current cleanup campaign, and the airport dedication project.

Every one of these projects can be traced back to just a few people that were determined to get something done.

In the case of the airport construction project it was just a small handful of people who saw the need and convinced others of this need. We now have an airport that everyone can be proud of and one that is well within our means.

We have heard cleanup in Hamlin for a long time but it wasn't until a few became really interested that anything got started. And now for the first time something is being done — we have a long way to go but at least we have started.

Even though the airshow was rained out this weekend we feel this project too was a success if for no other reason than we had a few young men willing to stick their necks out and plan a project that could have cost as much as \$2500 with no assurance as to where the money would come from if the public did not respond.

As it turned out the Jaycees just about broke even and if the weather had been better would likely have made a big success of it.

Like we said earlier, we can do just about anything we want to here if we can only find the people who are willing to take the lead. But it takes a tough skin to be one of these leaders because you have to overcome so much.

In every project it seems that you can find a small core of people that will help, the big majority that just don't seem to care and then another small minority that hopes you fail and can come up with every reason in the world why you should fail. We just need more willing to try.

NEW POLICE CHIEF — Ed Wheat, new Hamlin Police Chief, is shown with his wife and three children, D'Ann, 3, Boots, 12, and Wayne, 11. Wheat was hired by the City Council at their meeting here Monday evening and will assume his duties here in mid-May. He is currently serving as Security Officer at McLennan Community County Junior College in Waco and is also attending school there.

TO START IN MAY —

Ed Wheat of Waco Named Police Chief

Hollis Madden, Hamlin Mayor, announced this week that the City Council has hired Ed Wheat of Waco to serve as Chief of Police. He will take over his duties in mid-May.

Wheat is currently serving as Security Officer at McLennan Community County Junior College in Waco and is anticipating a College Certificate in Police Science upon graduation there in May.

He has 12 years experience in law enforcement and is a member of the Brazos Valley Peace Officers Association and holds the following certificates: Texas Certified Officer, Police Instructor, Bureau of Narcotics and Dangerous Drugs, Police-Community Relations, Basic Course in Law Enforcement, Accident Investigation, DPS Traffic School, and Sex Perversion. He has also attended numerous short courses and police seminars.

A member of Oak Lawn Baptist Church in Waco, he

Hamlin Farmers Gin Sets Meeting

The annual stockholders meeting of Hamlin Farmers Coop Gin will be held at the high school cafeteria Thursday, Apr. 29, at 7:30 p.m.

Manager Watts Fletcher states that 6595 bales ginned for 1970 was a good season and the gin is returning cash dividends to the patrons in the amount of \$84,000.

Local Church Announces Plans to Build Sanctuary

Construction of a new sanctuary was approved by the members of the First Methodist Church. The project was approved by the congregational meeting Sunday evening, Apr. 11. The pastor, Dr. Luther Kirk said Monday that it is hoped that construction will get underway no later than mid-summer.

The new structure will seat 300 and is estimated to cost \$125,000, including furnishings.

The new structure will connect to the middle of the present educational building forming a "T" shaped building. It will be located between the two walks running East from the educational building.

After completion, the old

sanctuary building will be

is a Sunday School teacher and is serving as eighth grade Sunday School Superintendent. An active Mason, he is a member of the Waxahachie Masonic Lodge.

He and his wife have three children, D'Ann, 3, Boots, 12, and Wayne, 11.

He will replace Bryan Wasson who was discharged by the Council in March.

The Hamlin City Council, in regular session here Monday evening, swore in the new council members, turned down a request to amend an ordinance and tabled the Lone Star Gas Company franchise contract for further study.

After canvassing the Apr. 3 election results the three winning candidates, Robert Fowler, George Campbell and A. E. Killion were sworn in as aldermen for two year terms.

The council voted not to amend an existing ordinance that sets the size of gasoline storage tanks at service stations. The present ordinance sets the maximum size of the storage tanks at retail stations at 2,100 gallons and a total of 5,000 gallons.

The request was made to the council to permit the installation of two 8,000 gallon storage tanks at a service station located within the fire zone.

Wayne West, Lone Star Gas Company manager, ap-

torn down and a paved parking lot put in its place.

Dr. Kirk said, "We believe that our people are ready and anxious to begin this much needed project. A financial campaign is planned for the very near future to raise funds for financing the building."

The church completed the present educational building in 1962.

The building committee for the church includes Fred Smith, chairman; Dr. James E. Harrison, vice chairman; W. T. Johnson, Bill Davis, John C. Bryant, John D. Ferguson Sr., Vernon Mayfield, Dr. E. D. Perrin, C. F. Cook, Mrs. L. C. Bonds and Mrs. A. Hackley.

The council discussed the possible methods the city could employ to handle these problems and referred the matter to the city attorney for further study.

Mayor Hollis Madden presided over the meeting attended by councilmen D. W. Cowan, Joe Ford, Killion, Campbell and Fowler. Also present until the new council was sworn in was Irby Weaver, outgoing alderman.

CAR WASH SATURDAY

The Hamlin Explorer Post is planning a Car Wash here Saturday from 9:30 a.m. to 5 p.m. The project will be held at Wilder Car Wash and will be \$2.00 per car.

IT RAINED HERE Makes Dent In Long Drought

While it takes more than one rain to break a seven-month drought, area farmers and ranchers received encouragement this past weekend when the first good rain in over seven months fell here. The two day official total measured 2.30.

A slow, steady downpour set in here Friday with 1.40 inches being measured by nightfall. Another .90 was measured for Saturday with skies overcast through Sunday morning. Monday a light shower added .06 inches bringing the total for April to 2.36 inches.

While the rain was a big

help to the farmers and ranchers over the area much more is needed in the near future to bring the year's rainfall up to normal and to overcome the lack of rainfall during the last half of last year.

The rains came too late to be of much help for the small grain crop in the area but did supply some planting moisture for cotton and maize. With the dry conditions very little of the rain found its way into stock tanks and most ranchers need more rain in the very near future for stock water.

For the first three months of this year the official rain gauges here measured only .53

Measles Vaccine To Be Given At School Apr. 29

The measles vaccination will be given here Thursday, Apr. 29, from 1:30 to 3:30 p.m. in the primary cafeteria, according to the school nurse, Mrs. W. W. Wallace.

The vaccine will be administered by John Black of the Texas State Health Department whose office is maintained in Abilene. The jet injection gun will be used.

Measles vaccination drives were held here Nov. 14, 1968 and Nov. 18, 1969.

Health authorities strongly urge that all parents bring their children in for the one injection that is good for life.

Headstart Program Meeting Set Here For Parents Apr. 27

Parents interested in the Summer Headstart Program are asked to meet next Tuesday (Apr. 27) at 7:30 p.m. at the Hamlin Primary School Cafeteria.

The program planned will be very similar to last year's program, says Marvin Carlton, director.

Both five and six year olds will be eligible provided they meet the income requirements and are eligible to attend either kindergarten or the first grade.

A policy advisory committee will be chosen at this meeting.

Mission to Serve Baked Ham Dinner

Members of Mission No. 2 Oak Grove Baptist Church will serve a baked ham dinner Saturday evening beginning at 6:30 p.m. in Fellowship Hall. Plates are \$1.25.

Mrs. Belton Hooper is president. Included on the menu with the ham will be green beans, buttered potatoes, yum yum salad, hot rolls, butter, coffee or iced tea and cake.

TO COMPETE AT REGIONAL — Hamlin High School students who have qualified to compete in regional UIL events in Lubbock this weekend are, from left, back row, Duane Stewart, Doug Elliott, Toby Wilder, Guy Clifton, and Bryce Fowler, all members of the golf team; front row, Barry McDonald, pole vault; Toni Casey, typing and shorthand; Steve Teichelman and Gary McMillan, tennis doubles.

Tickets On Sale Now for All Sports Banquet May 3

"We want to encourage everyone in Hamlin to make plans to attend our first All Sports Banquet," says H. L. Ford, president of the Pied Piper Booster Club.

The banquet will feature Bobby Maples, Houston Oil star center as the speaker and all sports fans, parents and others are urged to attend. The event will be at 8 p.m. May 3 in the high school cafeteria.

All high school students who are participating in sports will be honored.

Tickets were placed on sale at Reynold's Drug, Waggoner Drug and Howard Drug this week. Booster Club members are also selling tickets. The price is \$2.00 per person.

James E. Rodgers is general chairman.

Women to Collect Funds For Cancer Here Tuesday

"April is the month we all pull together to collect as much as we can and deliver pamphlets to the homes and businesses reminding us to be aware of signs of cancer," says Mrs. LaFoy Patterson, Jones County chairman of the American Cancer Society.

The house to house drive in Hamlin will be held Apr. 27. All volunteers are needed to meet at the public school auditorium on Southwest Ave. B at 7 p.m. All materials will be ready. The Jaycee-ettes, Beta Theta and Xi Gamma Pi chapters of Beta Sigma

Phi, and others are helping. The drive in the business section is underway this week with C. L. Howard as chairman. Several are working on this effort.

"Our goal for Hamlin is \$2,000, but we know much more can be collected if everyone cooperates," Mrs. Patterson said.

Mrs. Patterson says "If it is raining Tuesday evening, let us be thankful and don our rain bonnets and go out and do a great job. You always have and you will again."

Officers Installed By Literary Club

Officers of the Hamlin Woman's Literary Club were installed at the Friday afternoon meeting in the home of the president, Mrs. Donald Young.

Mrs. L. O. Hughes installed the following for the 1971-72 term: Mrs. Young president; Mrs. Jackie Williams, first vice president; Mrs. Johnny Waldrop, second vice president; Mrs. L. B. Bruner, recording secretary; Mrs. W. A. Cassie, treasurer; Mrs. R. D. Moore, parliamentarian; Mrs. E. E. Monkres, musician; Mrs. Loyd Burkhardt, reporter and Mrs. Dick Maberry, librarian.

Using only 10 of the 2,000 varieties of candy, Mrs. Hughes used candy made up into corsages to symbolize the duties of each officer.

During the business session, with Mrs. Young presiding the course of study, "Our Changing Lives," was chosen. Mrs. Albert George was in-

troduced as a new member.

Mrs. Young gave a summary of the year's activities and accomplishments. Mrs. Waldrop reported on the Mesquite District Convention which she, Mrs. Young, Mrs. Hughes and Mrs. Bruner attended.

Mrs. Young appointed the following to standing committees: Mmes. Waldrop, Archie Carson, Moore and Claude McDonald, yearbook; Cassie, Burkhart, methods and finance; Hughes, J. L. Waggoner, C. F. Cook, membership and telephone; Williams, Carson, Federation re-

Federation committees appointed were Mmes. L. H. McBride, Earl Brown, Waldrop, education; Virgil Steele, Luther Kirk, R. D. Wade, home life; A. A. Hackley, James Stewart, George, fine arts; A. B. Carlton, Ronnie Hallum, McDonald, public affairs; Moore, Monkres W. C. Farmer, conservation; Dick Maberry, Charles Reed, international affairs; Bruner, Joe Simpson, Tarlton Willingham, Texas heritage; Burkhart and O. H. Weaver Jr., council of international clubs.

Mrs. Hettie Jones Hosts Rebekah Class Social

Mrs. Hettie Jones was hostess for the monthly social meeting Thursday of Rebekah S. S. Class of First Baptist Church.

Co-hostesses were Mrs. Johnny Wood and Mrs. W. R. Perryman.

Mrs. Edd Rodgers presided.

The devotional was given by Mrs. Johnnie Agnew. Mrs. Fred Rosenbaum gave the opening prayer.

Others attending were Mmes. May Young, Travis Hubbard, C. L. Meyner, D. O. Waymire, Carl Young, L. B. Baker, Debbie Harrell and a visitor, Mrs. Oran Taylor.

LIBRARY WEEK— 'You've Got A Right To Read, Don't Blow It'

"You've Got A Right To Read. Don't Blow It." With this as its theme, National Library Week is being observed in Texas this week. Gov. President Smith has designated the week of Apr. 18-24 as Library Week in Texas.

In issuing the Official Memorandum proclaiming the special week Gov. Smith stated:

The Right To Read encompasses not only free access to materials to read but also educational programs that give every child the skills he needs to read effectively. Throughout the nation librarians, concerned citizens, and educators are joining forces in determination to achieve the Right To Read for all dur-

"Libraries offer their services to all who seek them, providing the information resources that good citizenship today demands."

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(April 16, 1926)

This week has been wetter. This week has been as cold as winter, and the land is soaked full of water. The country is in the best shape for a bumper crop then it has been since 1919. What we need now is some sunshine and warm weather. Planting time is here and seed put into the ground now will come hopping, if winter will cease.

Wednesday afternoon a hard rain fell, and there was some indications of a cyclone. Thursday finds a clear sky and it looks like we are in for some pretty weather.

Saturday, Hamlin will have a real up-to-minute Piggly Wiggly Store. Mr. Peckham who has been operating such a store in Stamford has been working several weeks to get his Hamlin Piggly Wiggly started. He has succeeded. Only a peep through the door this week reveals one of the prettiest store rooms that anybody in Hamlin has ever seen here. Solid oak fixtures, galore. Nothing but new stuff anywhere. Everything bright and new. Mr. Peckham is making an announcement in this week's Herald. He promises a real good time for the visitors next Saturday.

Next Wednesday afternoon at FIVE O'CLOCK the Wichita Kansas Chamber of Commerce will arrive in Hamlin on their annual trade trip. This will be Hamlin's opportunity to welcome a band of business men to our city that will mean something to our town and section.

TWENTY YEARS AGO
(April 20, 1951)

Final arrangements have been made for the showing in Hamlin of "Prince Of Peace" a new Hallmark film on the life of Christ. The unusual color feature opens at the Hamlin Drive-In Theatre Thursday, May 3 for a two day engagement.

The film based on the famous Lawton, Oklahoma Easter pageant held annually in the Wichita mountain near Lawton, will combine a realism of setting with an unusual and deep effective sincerity on the part of 3,000 Oklahomans who take part in the film.

During the present world crisis this film comes as a ray of hope to all who see it and brings fresh confidence and a deeper understanding of the greatest story ever told—that of Jesus. People of all faiths, colors and creeds will find a personal message in this non-secretarian film, according to a report made early in the week.

The Senior Class of Hamlin High School will spend the entire day Fri-

day on the campus of Abilene Christian College.

Occasion for the all-day meet is a program with Education for Citizenship and Vocational Guidance which is to be conducted there.

A student car caravan from Hardin Simmons University, Abilene will be in Hamlin Friday (today) to publicize the annual Intercollegiate Rodeo to be held April 26-28.

TEN YEARS AGO
(April 20, 1961)

A free pre-school clinic will be conducted in the primary cafeteria at 1:30 p.m. on Friday, April 28 for the children who will start to school next fall.

Dr. E. J. Hawkins, MD and Dr. Robert Snyder, DSS will be on hand to examine all the children.

In order that a health record for each child may be made, the mothers are asked to bring a record of the child's immunizations and the date of each.

Hamlin farmers and ranchers will visit Texas Agricultural Experimental Station at Spur Thursday, April 20, for a first hand look at silage and feeder program. The tour being sponsored by Hamlin B.C.D. Agriculture and Livestock Committee, with Robert Fowler, director-in-charge.

Everyone interested in livestock feeding is invited to attend. A group will leave from the B.C.D. office at 8:00 a.m.

A spring revival will begin at the Sunset Baptist Church Sunday, April 23, and will continue through April 30.

The Safe Driving Teen-age Road-e-o, sponsored by the Hamlin Jaycees had to be postponed last Saturday due to conflicting events, but will be held this Saturday, April 22.

Young people between the ages of 16 and 19 from Aspermont, Old Glory and McCaulley have been invited to compete with Hamlin entries.

Written tests will be given Saturday morning and the driving tests are to be held in the street in front of the High School Building Saturday afternoon.

The local winner will be given a plaque by the Hamlin Jaycees and each one entering will be given a certificate.

Winners are judged on skill in driving and their knowledge of the driving regulations.

Final plans for the Methodist Church's new building were approved by the building committee at a meeting April 10.

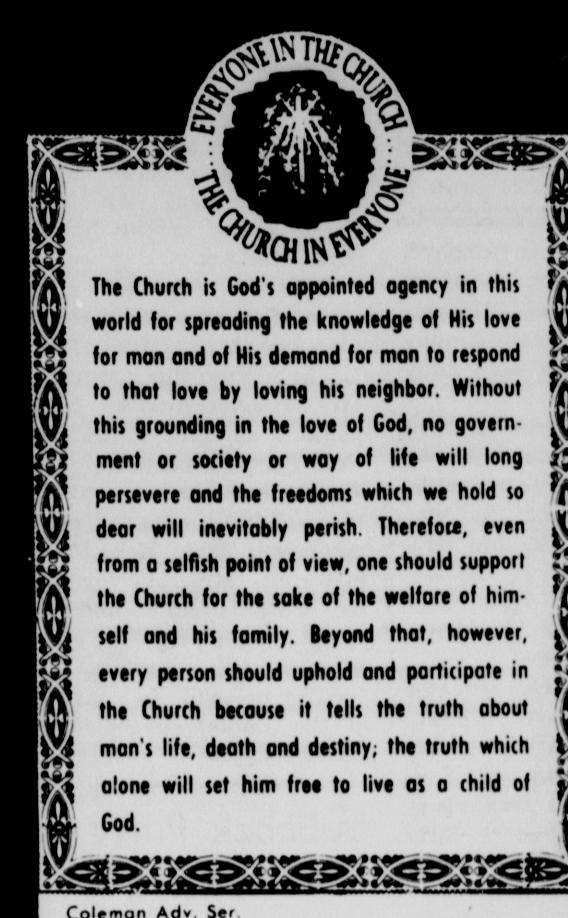

The plans were voted to be submitted for bids with the bids to be opened May 10.

"For Me to Live is Christ"

"And the Lord shall guide thee continually, and satisfy thy soul in draught, and make fat thy bones; and thou shalt be like a watered garden, and like a spring of water, whose waters fail not."

Isaiah 58:11.

"For me to live is Christ" is to be living for a purpose—to serve God by drawing out my soul to the poor, lonely, hungry, and lost. "For me to live is Christ" is to lead men everywhere to Jesus Christ who is the fountain of the water of life. And He has promised that when I am in His service He will guide me, and satisfy me, and I shall be like the flowers in this picture, like a watered garden, sustained by Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

"My fur coat — Stolen!"

THE AIRPORT FROM THE AIR — This shot taken just after take-off from the Hamlin Airport shows that several planes did make it through cloudy skies here Sunday. The airshow and dedication ceremony were cancelled because of the weather.

GOOD TURNOUT — Some 180 persons were served barbecue by the Hamlin Jaycees at the Hamlin Airport Sunday after the airshow and dedication ceremony were cancelled because of cloudy weather conditions. Here, some of the people remained to visit together and watch some of the planes take off. The hanger owned by Hamlin Flying Service where the meal was served is in the background.

Insurance Institute Warns Parents About Mini-Bikes

Mini-skirts, mini-shorts . . . everything's a "mini" these days. But "mini-bikes," the latest craze in midget motorcycles, have the potential to cause maxi-headaches for many parents in Texas, the Insurance Information Institute cautions.

These packages of pint-sized propulsion look like toys, the Institute notes, and they are notorious for their ability to win their way into the hearts of youngsters — particularly those between 10 and 14. However, unless the driver is of legal licensing age (15 years old in Texas) or he operates the mini-bike only on his parents' own property, the vehicle is being operated outside the law and insurance coverage is non-existent.

Texas law prohibits operation of a motor vehicle by anyone under the age of 15 on any public street or thoroughfare in the state and mini-bikes come under the provisions of this law, the Institute says. This covers riding on sidewalks; in parking lots; in apartment complex entrances, exits and access roads, as well as alleys and highways.

If the mini-bike is being operated by an underage driver on its parents' property, any damage or injury caused by that driver is covered — within the limits of the policy — by the usual homeowners insurance coverage.

However, the Institute cautions that if the vehicle is being operated outside these narrow limits, the parents of the driver assume responsibility for any damage

Set Aside Program Told Requirements for Acreage

Jones County farmers enrolled in the feed grain, wheat, or cotton programs are being reminded that the acreage set aside under each program should be as productive as the acreage normally used to produce the crop.

A. D. Hill, Chairman of the Jones County Agricultural Stabilization and Conservation (ASC) Committee, also advised farmers that their set-aside land must be acreage that was either in non-conserving crops planted for harvest last year or was used as diverted acreage under the farm programs last year.

He suggested that producers who have any doubt about whether their proposed set-aside acreage will meet the qualifications should check with the County ASCS Office as soon as possible.

Mr. Hill pointed out that at the time producers come in to the County Office to certify their set-aside acreage, they must specify precisely where the set-aside acreage is located. FINAL DATES FOR certification are: May 1, 1971 for WHEAT, and August 1, 1971, for COTTON AND FEED GRAIN.

After a producer has certified, if a mistake is found in his set-aside acreage he could lose some or all of his farm program payment.

"A farmer who is not quite sure whether his set-aside meets all requirements would be well advised to check with the County ASCS Office ahead of time. Also, he can request measurement service, which, if followed, will give him a guarantee that he has enough set-aside acreage. Measurement service is offered by the County ASCS Office at cost," Mr. Hill said.

Producers in the voluntary feed grain, wheat, and cotton programs for 1971 set aside

a percentage of their land to conserving uses, and will also maintain their farm's conserving base acreage. On the rest of their acreage they may plant as much feed grain, wheat, cotton, or any other crop they choose, with the EXCEPTION of quota crops. Quota crops include peanuts, tobacco, rice, extra long staple cotton, and sugarcane, which may be planted on farms with allotments for these crops.

Texas Farmers To Receive Crop, Livestock Query

During the last half of May, some 22,000 Texas farmers will receive at their mailboxes a most important questionnaire from the Texas Crop and Livestock Reporting Service in Austin.

County Agent Kirby Clayton says it will be the annual acreage survey and that

many farmers in Jones County will be included in the 22,000. The information derived from the replies will be the basis for the official estimates of crop acreage for the State of Texas and for each county.

Cary D. Palmer, State Statistician for the Texas Reporting Service, emphasizes the importance of getting back just as many of the 22,000 questionnaires as possible so that each county will be well represented. Accurate estimates are of great importance to farmers in planning production and marketing and in providing an unbiased picture of Texas Agriculture, Palmer adds.

The Texas Legislature, explains the county agents, has provided a program of estimates for each county. Because Texas covers such a wide area, State totals alone do not provide adequate information on our most basic industry; hence, the need for county information. The program is a cooperative effort of Agriculture's Statistical Reporting Service and the Texas Department of Agriculture, Palmer adds.

Approximately 500 people attended the 37th annual Stockholders meeting

Lasater Hensley Elected Rolling Plains PCA Head

At a meeting of the Board of Directors at the Childress Office following the annual Stockholders Meeting of the Rolling Plains Production Credit Association, Lasater Hensley, Guthrie, was elected Chairman of the Board and Dean Decker, Childress, was elected Vice-Chairman.

J. P. Perrin, Haskell, was elected at the Stockholders meeting to succeed C. G. Burson, Sr., Haskell, who retired from the Board after 31 years service as a Board member. Other members of the Board include W. C. Jiggs Mann, Clarendon, who was re-elected for a 3-year term, and Mack T. Claburn, Anson.

Officers re-elected at the organizational meeting of the Board include the following: J. L. Hill, Jr., president; J. R. Gleaton, vice president; R. C. Cobb, vice president and secretary; Bill L. Glenn, vice president; Joe A. Hanson, treasurer and Carolyn Ford, asst. secretary.

Latresse Williams, Terrie Gregory, Dana Knox and Mrs. Edith Carter will be traveling to Dallas Wednesday to attend the State FFA Convention. They will be attending the State Executive Meeting on Thursday. On Thursday Mrs. Williams, Pam Peace and Velanne Rowland will join them for the convention. Pam Peace is the new 1971-72 president for Hamlin FFA and Velanne Rowland is the incoming vice president. Latresse Williams will preside over a program Friday, Terrie Gregory will be singing in the state choir and Dana Knox will represent Area II Historian.

HHS
Barry McDonald won first place in pole-vaulting in the District Track Meet last Saturday. He will now attend the Regional Track Meet this coming Saturday in Lubbock. Congratulations on his first place and Good Luck at Regional!

Mr. and Mrs. Philip Miller of Bellaire are parents of a boy, Russell Wayne, born Apr. 12. He weighed 8 lbs. 15 oz. The couple has another son, Alan Layne.

Vocational Agriculture Students Take Field Trip

Fifteen second, third, and fourth year vocational agriculture students made the annual educational trip for this group last Friday and Saturday. Those making the trip were Edward Johnson and Steve Teichelman, fourth year students, Carlos Gonzalez and Rodney Rackley, third year students, and Ray Andreass, Roy Baker, Ricky Cary, Tommy Gabriel, Ricky Grubben, Tom Max Hogan, Johnny Howard, Larry Jayroe, Kenneth Payne, Richard Wallace, and Danny Wood, second year students. They were accompanied by Milburn Wink, vocational agriculture teacher.

Friday morning the group toured the agricultural experiment station at Spur. Personnel of the station conducted a tour of the station explaining the various beef cattle experiments being conducted at the station. Personnel of the Lubbock Experiment Station met with the group at Spur and explained various brush control experiments being carried out throughout the state.

Friday afternoon the group visited Farm Pac Kitchens in Lubbock. Students were given a first hand look at the meat packing industry. They followed beef animals and hogs from the killing floor to the finished product as it was packaged and made ready for shipment to various retail outlets.

Saturday morning was spent at the College of Agricultural Sciences at Texas Tech University. The group was conducted on tours of the Animal Science Department, the Agronomy Department, the Range Management Department, and the Agricultural Engineering Department. Department heads or representatives conducted about a 45-minute tour of

HAD A PARTY? That's news, call the HERALD.

Moves to Merkel

Jimmy Ratliff, former city patrolman here, began his duties in a similar position in Merkel Thursday.

He moved to Hamlin Mar. 23, 1970, from Ranger where he had been in law enforcement for three years. He resigned here Mar. 19.

DRIVE-IN BANK

F & M NATIONAL BANK

BUICK BARGAIN DAYS ARE HERE

Buick Bargain Days are saving days.

A bargain price on a stripped down car is no bargain. But a Buick or Opel at a bargain is something else again. Because we're not selling some special stripped-down model.

We're selling Buicks and Opels, the same great cars we've sold all year.

With one difference. The deals have never been better. Which means that you can move out in a new Buick or Opel at a price that's hard to believe. When Buick talks about a bargain, we give you something to believe in.

Opel 1900 Sport Coupe. With a 1.9 liter engine that operates efficiently on lead or no-lead gasolines, hydraulic valve lifters for quiet engine operation, power front disc brakes and more.

Skylark Custom. With Buick's exclusive nickel plated engine exhaust valves for smoother operation on today's cleaner fuels. Comfort Flo ventilation system and more.

Your Buick-Opel dealer will give you better reasons to buy a new car now than anybody else.

The business of auto safety.

Auto safety is everyone's concern. But it's our business.

And we think the attention that's being paid to auto safety now is a good thing. Because it will result in better driving for everyone.

And, frankly, better driving for everyone means better business for us.

We say Buick is something to believe in. That's why we're trying to make it easy to be safe by putting in safety features that work by themselves. You don't have to do anything to make them work.

Like side guard beams. And the energy absorbing steering column. And the cargo guard between the

trunk and back seat. They start "working" even before you get in the car.

But two safety features, two of the most vital, are worthless unless you do something first. Seat and shoulder belts.

Unfastened they do nothing. And you've seen enough statistics to know what a difference they can make. So use them.

But that's not all you can do. Because the most effective safety feature of all can't be added to our cars or anybody else's.

That feature is you. And the way you drive. Which should be defensively. And rested. And sober. We're all in this together. And together we can solve the auto safety problem once and for all.

And the time is now.

McDONALD TO REGIONAL—

Hamlin Wins Junior Division In District 7-AA Track Meet

Barry McDonald, Hamlin junior, was the only Piper track team member to qualify for regional at the District 7-AA meet held at the Abilene Christian College track Saturday. McDonald won the pole vault with a height of 10'.

He will compete Saturday morning at 9:30 in Lubbock.

Hamlin captured the Junior division of the District meet with 161½ points and came in sixth in the senior division with 18½ points. Haskell won the senior division with 159 points to edge out favored Stamford who had 155 points. The junior division is for freshmen and under. Haskell had 105½ points in this division for second.

Johnny Jones, Hamlin in eighth grade, was high individual in the junior division.

Houston Federal Land Bank Lowers Variable Loan Rate

Joe Harper, Manager of the Federal Land Bank Association of Haskell, announced today that the Federal Land Bank of Houston will reduce the interest billing rate on variable rate loans to 7½%.

"This reduction will be effective on installments maturing on or after June 1, 1971 and affects more than \$110 million in variable rate loans to over 3200 Texas farmers and ranchers," Harper stated.

The variable rate loan, which was introduced by the Houston Bank in July 1969, lets the interest rate "float" over the variations in the money market. This is the second time since January 1 that the billing rate has been reduced and the third such reduction in the past year.

"This action is in line with the Bank's policy in providing farmers and ranchers credit at the lowest possible cost consistent with a sound business practices," Harper stated.

Dates Set for Cowboy Reunion

STAMFORD, — Eugene Swenson, president of the Texas Cowboy Reunion, today announced the dates for the 1971 show. This year the world's largest amateur rodeo will be held on July 1, 2 and 3.

In making the announcement, Swenson stated that performances will be held each evening.

TONI CASEY
... "Miss Spring"

DUANE STEWART
... "Mr. Spring"

was given by Edward Johnson, Senior class vice president.

The graduating class will be read by Tony Lewis and Darrell Craig.

Juniors reading the prophecy were Shelley Holtz and Bob McMillan.

Theme for the decorations were "Swinging into Spring."

Rev. Howard Jones, pastor of First Baptist Church, guest speaker spoke on "The Way to a Life Worth Living." He used highlights from the lives of William Wordsworth and John Milton to point out the value of a life lived.

After quoting the sonnet to Milton that was written by Wordsworth 128 years after his death, Rev. Jones said "This is one of the great poems in the English language. It raises the question: What sort of people would be called back to earth in a time of great need of humanity?"

Two things, he said, make a person worthy of a return performance, cheerful godliness and acceptance of duties. "Since we aren't going to be called back, let's now live the life worth living," he concluded.

The singing of the Piper Song climaxed the banquet.

Notaries Public Must File Before May 15 Deadline

Secretary of State Martin Dies, Jr. announced that all

the beginning of the new term on June 1, 1971, should apply to the County Clerk before May 14, 1971. The required application forms may be obtained from the County Clerk.

Mr. Dies emphasized that Notaries Public should not send requests for appointment or for commissions directly to the Secretary of State inasmuch as the law specifically requires that the County Clerk approve Notary Bonds and forward copies of the application to the Secretary of State.

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

It is hard to think of anything that could bring more joy to an area than this past weekend's rain — unless it would be more rain. The rains made a big dent into the drought the area has been suffering from but of course it will take more before we can say the drought is broken.

Of course when you need rain as badly as we did nothing else really matters if you can get the rain, but it did cause a few mixed emotions because of the district track meet and the airport dedication.

It did seem a shame that the kids had to compete under the conditions forced on them Saturday in Abilene and after all of the work that went into planning the big airshow at the airport it was disappointing that it all had to be called off.

But still this was a small price to pay for a good rain.

It was better to have to run in the rain than in a dust storm and better to call off the airshow for the same reason.

It is hoped now that the airshow can be rescheduled for later in the year. It is some time before the people that put on the airshow have a weekend free so it will be awhile before the arrangements can be made.

Probably the only real casualty of the wet track Saturday was David Willis who had the best time in the district in the 330 intermediate hurdles only to slip on the wet track and fall in the preliminaries. David likely missed a chance to go to Lubbock because of the rain but since he is only a freshman there will be other years for him.

A few projects here recently have made me more and more convinced that Hamlin or any place else can do anything that it wants to if only one or two people can be found who really want it to happen. It doesn't take many but those few have to be willing to overcome a lot of opposition and apathy.

Recent projects here that convince me of this are the airport, the current cleanup campaign, and the airport dedication project.

Every one of these projects can be traced back to just a few people that were determined to get something done.

In the case of the airport construction project it was just a small handful of people who saw the need and convinced others of this need. We now have an airport that everyone can be proud of and one that is well within our means.

We have heard cleanup in Hamlin for a long time but it wasn't until a few became really interested that anything got started. And now for the first time something is being done — we have a long way to go but at least we have started.

Even though the airshow was rained out this weekend we feel this project too was a success if for no other reason than we had a few young men willing to stick their necks out and plan a project that could have cost as much as \$2500 with no assurance as to where the money would come from if the public did not respond.

As it turned out the Jaycees just about broke even and if the weather had been better would likely have made a big success of it.

Like we said earlier, we can do just about anything we want to here if we can only find the people who are willing to take the lead. But it takes a tough skin to be one of these leaders because you have to overcome so much.

In every project it seems that you can find a small core of people that will help, the big majority that just don't seem to care and then another small minority that hopes you fail and can come up with every reason in the world why you should fail.

We just need more willing to try.

NEW POLICE CHIEF — Ed Wheat, new Hamlin Police Chief, is shown with his wife and three children, D'Ann, 3, Boots, 12, and Wayne, 11. Wheat was hired by the City Council at their meeting here Monday evening and will assume his duties here in mid-May. He is currently serving as Security Officer at McLennan Community County Junior College in Waco and is also attending school there.

TO START IN MAY —

Ed Wheat of Waco Named Police Chief

Hollis Madden, Hamlin Mayor, announced this week that the City Council has hired Ed Wheat of Waco to serve as Chief of Police. He will take over his duties in mid-May.

Wheat is currently serving as Security Officer at McLennan Community County Junior College in Waco and is anticipating a College Certificate in Police Science upon graduation there in May.

He has 12 years experience in law enforcement and is a member of the Brazos Valley Peace Officers Association and holds the following certificates: Texas Certified Officer, Police Instructor, Bureau of Narcotics and Dangerous Drugs, Police-Community Relations, Basic Course in Law Enforcement, Accident Investigation, DPS Traffic School, and Sex Perseveration. He has also attended numerous short courses and police seminars.

A member of Oak Lawn Baptist Church in Waco, he

Hamlin Farmers Gin Sets Meeting

The annual stockholders meeting of Hamlin Farmers Coop Gin will be held at the high school cafeteria Thursday, Apr. 29, at 7:30 p.m.

Manager Watts Fletcher states that 6595 bales ginned for 1970 was a good season and the gin is returning cash dividends to the patrons in the amount of \$84,000.

Local Church Announces Plans to Build Sanctuary

Construction of a new sanctuary was approved by the members of the First Methodist church was approved by the congregational meeting Sunday evening, Apr. 11. The pastor, Dr. Luther Kirk said Monday that it is hoped that construction will get underway no later than mid-summer.

The new structure will seat 300 and is estimated to cost \$125,000, including furnishings.

The new structure will connect to the middle of the present educational building forming a "T" shaped building. It will be located between the two walks running East from the educational building.

After completion, the old sanctuary building will be

torn down and a paved parking lot put in its place.

Dr. Kirk said, "We believe that our people are ready and anxious to begin this much needed project. A financial campaign is planned for the very near future to raise funds for financing the building."

The church completed the present educational building in 1962.

The building committee for the church includes Fred Smith, chairman; Dr. James E. Harrison, vice chairman; W. T. Johnson, Bill Davis, John C. Bryant, John D. Ferguson, Sr., Vernon Mayfield, Dr. E. D. Perrin, C. F. Cook, Mrs. L. C. Bonds and Mrs. A. A. Hackley.

CAR WASH SATURDAY
The Hamlin Explorer Post is planning a Car Wash here Saturday from 9:30 a.m. to 5 p.m. The project will be held at Wilder Car Wash and will be \$2.00 per car.

IT RAINED HERE Makes Dent In Long Drought

While it takes more than one rain to break a seven-month drought, area farmers and ranchers received encouragement this past weekend when the first good rain in over seven months fell here. The two day official total measured 2.30.

A slow, steady downpour set in here Friday with 1.40 inches being measured by nightfall. Another .90 was measured for Saturday with skies overcast through Sunday morning. Monday a light shower added .06 inches bringing the total for April to 2.36 inches.

While the rain was a big

help to the farmers and ranchers over the area much more is needed in the near future to bring the year's rainfall up to normal and to overcome the lack of rainfall during the last half of last year.

The rains came too late to be of much help for the small grain crop in the area but did supply some planting moisture for cotton and maize. With the dry conditions very little of the rain found its way into stock tanks and most ranchers need more rain in the very near future for stock water.

For the first three months of this year the official rain gauges here measured only .53

Measles Vaccine To Be Given At School Apr. 29

The measles vaccination will be given here Thursday, Apr. 29, from 1:30 to 3:30 p.m. in the primary cafeteria, according to the school nurse, Mrs. W. W. Wallace.

The vaccine will be administered by John Black of the Texas State Health Department whose office is maintained in Abilene. The jet injection gun will be used.

Measles vaccination drives were held here Nov. 14, 1968 and Nov. 18, 1969.

Health authorities strongly urge that all parents bring their children in for the one injection that is good for life.

Headstart Program Meeting Set Here For Parents Apr. 27

Parents interested in the Summer Headstart Program are asked to meet next Tuesday (Apr. 27) at 7:30 p.m. at the Hamlin Primary School Cafeteria.

The program planned will be very similar to last year's program, says Marvin Carlton, director.

Both five and six year olds will be eligible provided they meet the income requirements and are eligible to attend either kindergarten or the first grade.

A policy advisory committee will be chosen at this meeting.

Mission to Serve Baked Ham Dinner

Members of Mission No. 2 Oak Grove Baptist Church will serve a baked ham dinner Saturday evening beginning at 6:30 p.m. in Fellowship Hall. Plates are \$1.25.

Mrs. Belmont Hooper is president. Included on the menu with the ham will be green beans, buttered potatoes, yum yum salad, hot rolls, butter, coffee or iced tea and cake.

TO COMPETE AT REGIONAL — Hamlin High School students who have qualified to compete in regional UIL events in Lubbock this weekend are, from left, back row, Duane Stewart, Doug Elliott, Toby Wilder, Guy Clifton, and Bryce Fowler, all members of the golf team; front row, Barry McDonald, pole vault; Toni Casey, typing and shorthand; Steve Teichelman and Gary McMillan, tennis doubles.

inches with .04 coming in January, .46 in February and .03 in March. Only a trace had been measured in April before Friday's rain.

The rains Friday caused the postponement of the District 7-AA Track Meet scheduled for Anson. The meet was held in Abilene Saturday at the ACC Track with rain falling during the entire meet.

The weekend rains caused the cancellation of the airshow and the airport dedication planned Sunday by the Hamlin Jaycees. A few planes made it in for the fly-in and about 180 were served barbecue dinner by the Jaycees.

The weekend rains were general over most of the state, making a dent in the drought that had gripped most of the state.

Prior to the rains, Jones County had been declared eligible for relief under the haying and grazing provisions of the Federal Department of Agriculture.

Tickets On Sale Now for All Sports Banquet May 3

"We want to encourage everyone in Hamlin to make plans to attend our first All Sports Banquet," says H. L. Ford, president of the Pied Piper Booster Club.

The banquet will feature Bobby Maples, Houston Oilier star center as the speaker and all sports fans, parents and others are urged to attend. The event will be at 8 p.m. May 3 in the high school cafeteria.

All high school students who are participating in sports will be honored.

Tickets were placed on sale at Reynold's Drug, Waggoner Drug and Howard Drug this week. Booster Club members are also selling tickets. The price is \$2.00 per person.

James E. Rodgers is general chairman.

Women to Collect Funds For Cancer Here Tuesday

"April is the month we all pull together to collect as much as we can and deliver pamphlets to the homes and businesses reminding us to be aware of signs of cancer," says Mrs. LaFoy Patterson, Jones County chairman of the American Cancer Society.

The house to house drive in Hamlin will be held April 27. All volunteers are needed to meet at the public school auditorium on Southwest Ave. B at 7 p.m. All materials will be ready. The Jaycee-ettes, Beta Theta and Xi Gamma Pi chapters of Beta Sigma

Phi, and others are helping.

The drive in the business section is underway this week with C. L. Howard as chairman. Several are working on this effort.

"Our goal for Hamlin is \$2,000, but we know much more can be collected if everyone cooperates," Mrs. Patterson said.

Mrs. Patterson says "If it is raining Tuesday evening, let us be thankful and don our rain bonnets and go out and do a great job. You always have and you will again."

Officers Installed By Literary Club

Officers of the Hamlin Woman's Literary Club were installed at the Friday afternoon meeting in the home of the president, Mrs. Donald Young.

Mrs. L. O. Hughes installed the following for the 1971-72 term: Mrs. Young president; Mrs. Jackie Williams, first vice president; Mrs. Johnny Waldrop, second vice president; Mrs. L. B. Bruner, recording secretary; Mrs. W. A. Cassie, treasurer; Mrs. R. D. Moore, parliamentarian; Mrs. E. E. Monkres, musician; Mrs. Loyd Burkhardt, reporter and Mrs. Dick Maberry, librarian.

Using only 10 of the 2,000 varieties of candy, Mrs. Hughes used candy made up into corsages to symbolize the duties of each officer.

During the business session, with Mrs. Young presiding the course of study, "Our Changing Lives," was chosen.

Mrs. Albert George was in-

Scotty Browns Living In Irving After Wedding

Mr. and Mrs. Scotty Brown are residing in Irving following a wedding trip to Gatlinburg, Tenn.

The couple was married Apr. 3 in the home of her parents, Mr. and Mrs. Woodrow W. Estes. Parents of the bridegroom are Mr. and Mrs. C. B. Brown of Hamlin.

The bride, the former Martha Kay Davis, is a graduate of Cooper High School and Abilene Christian College.

The bridegroom, a 1966 graduate of Hamlin High School, attended McMurry College three years and is presently attending North Texas State University. He is employed by Abo Corporation in Carrollton.

The couple resides at 3544 Country Club Road, Apt. 238, in Irving where she is employed with the Irving School District.

LIBRARY WEEK— 'You've Got A Right To Read, Don't Blow It'

"You've Got A Right To Read, Don't Blow It." With this as its theme, National Library Week is being observed in Texas this week. Gov. Preston Smith has designated the week of Apr. 18-24 as Library Week in Texas.

In issuing the Official Memorandum proclaiming the special week Gov. Smith stated:

The Right To Read encompasses not only free access to materials to read but also educational programs that give every child the skills he needs to read effectively. Throughout the nation librarians, concerned citizens, and educators are joining forces in determination to achieve the Right To Read for all during

the decade of the 1970's.

"Libraries play a vital role in achieving this right. National Library Week serves to emphasize the involvement of Texas librarians and laymen working cooperatively to support library programs and to further the freedom of all to read."

"National Library Week presents a challenge to all Texans to support more adequately Texas libraries in their effort to make accessible to our citizens the materials for further enrichment of their lives."

"Libraries offer their services to all who seek them, providing the information resources that good citizenship today demands."

NEWS FROM . . . Old Glory

By Bernice D. White

Rain! The first we had to amount to anything since last October fell here last Friday and Saturday. 2.20 inches was measured in town.

The Old Glory Junior-Senior banquet was held at Frazier's Cafe in Aspermont last Saturday evening. The theme of the banquet was Aquarius, and the speaker for

Others attending were

Mrs. Larry McCoy was honored Friday with a baby shower in the home of Mrs. Holman Jones.

Mrs. Young Bill Maddox was elected president of the Hamlin Jaycee-ettes at the business meeting held Thursday evening in the home of Mrs. Maddox.

Other officers elected were Mrs. Sam Mack Hodges, vice president; Mrs. Herbert Lakey, recording secretary; Mrs. Charles Bumley, corresponding secretary; Mrs. John Edd Scott, treasurer; Mrs. Marshall Waldon, reporter; Mrs. Skipper Smith, parliamentarian; Mrs. Harvey Lawlis, state director and Mrs. Jerry Smith and Mrs. O. H. Weaver Jr., directors.

Officers will be installed at the annual Jaycee-Jaycee-ette Banquet.

Lubbock Party Honors Couple

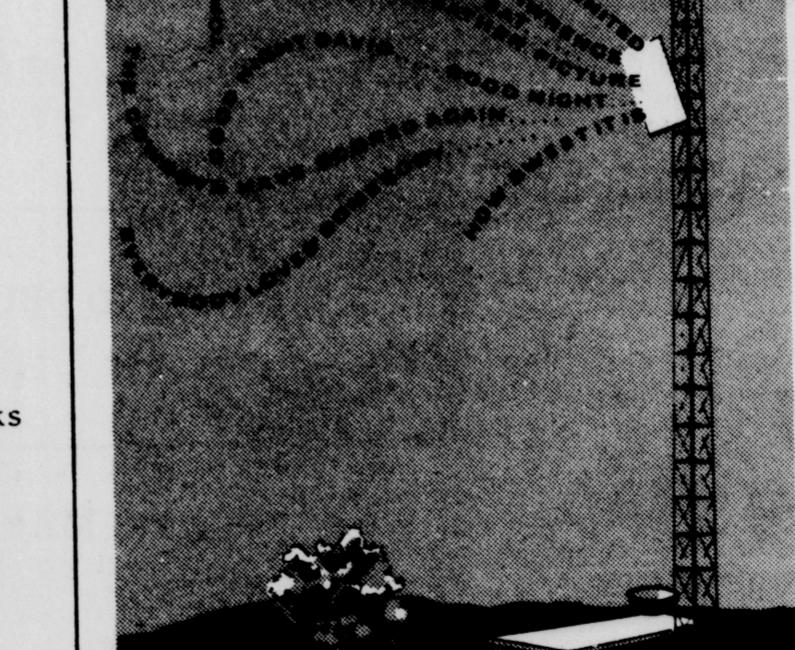

Mrs. and Mrs. Bob Hunter of Lubbock were honored with a dessert party in the home of Dr. and Mrs. J. J. Willingham in Lubbock Sunday, Apr. 18 at 3 p.m.

Mrs. Hunter is the former Dianna Crowley, daughter of Mr. and Mrs. Bobby Crowley of Hamlin.

The guests included Mr. and Mrs. Ron Willingham, Mr. and Mrs. Jon Gore, Mr. and Mrs. Ron Gore, Janeen Drew and Mrs. C. M. Hunter.

Guests in the home of Mr. and Mrs. Monroe Tabb Sunday included a cousin, Henry A. Tabb, whom he had never met. Mr. and Mrs. Henry Tabb lived in Georgia until moving to DeLeon recently.

Other guests included two brothers, Elton Tabb of Holiday Lodge and Mr. and Mrs. Willie Tabb of Boyds Chapel; a daughter and family, Mr. and Mrs. Marvin Pearce, Larry and Twyla of Abilene.

The rural areas of Texas are marked at intervals by microwave relay towers which carry a world wide traffic of entertainment and information. These electronic couriers speed their multiple messages to big cities as well as small communities. Many of these installations depend on the rural electric cooperative for a dependable supply of low-cost power. The Midwest Electric Cooperative, in providing a first class electric service to its member-owners, is proud to help make you an eyewitness to history in the making, while helping Texas grow.

**MIDWEST ELECTRIC
COOPERATIVE, INC.**

Mrs. Joe League To Install Woman's Officers Monday

Mrs. Joe League will conduct installation of officers of the Hamlin Woman's Forum Monday evening at 7 p.m. in Harden Memorial Library.

The new officers elected to two-year terms, include Mrs. John Ferguson Jr., president; Mrs. Harvey Lawlis, first vice president; Mrs. Bob Craig, second vice president; Mrs. L. O. Hughes, recording secretary; Miss Lenore Greenway, corresponding secretary; Mrs. Kenneth Ridle, treasurer, and Mrs. Ken Prewit, reporter.

Baby Shower
Friday Honors
Mrs. Larry McCoy

Mrs. Larry McCoy was honored Friday with a baby shower in the home of Mrs. Holman Jones.

A teddy bear theme was used. The table was covered with a white hand-drawn cloth over yellow satin accented with yellow satin bows. An antique cut glass basket held yellow spring flowers and daisies. Table decorations included a three-dimensional yellow teddy bear, matching nut cups, napkins and a yellow teddy bear cake.

Mrs. Blaine Bennett presented the honoree with a corsage of yellow daisies and served the guests.

Attending were Mmes. Elbert Payne, J. E. McCoy Jr., Noel Weaver, Sammie Hester, Paul Frazier and Miss Margaret Cooper.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(April 16, 1926)

This week has been wetter. This week has been as cold as winter, and the land is soaked full of water. The country is in the best shape for a bumper crop then it has been since 1919. What we need now is some sunshine and warm weather. Planting time is here and seed put into the ground now will come hopping, if winter will cease.

Wednesday afternoon a hard rain fell, and there was some indications of a cyclone. Thursday finds a clear sky and it looks like we are in for some pretty weather.

Saturday, Hamlin will have a real up-to-minute Piggly Wiggly Store. Mr. Peckham who has been operating such a store in Stamford has been working several weeks to get his Hamlin Piggly Wiggly started. He has succeeded. Only a peep through the door this week reveals one of the prettiest store rooms that anybody in Hamlin has ever seen here. Solid oak fixtures, galore. Nothing but new stuff anywhere. Everything bright and new. Mr. Peckham is making an announcement in this week's Herald. He promises a real good time for the visitors next Saturday.

Next Wednesday afternoon at FIVE O'CLOCK the Wichita Kansas Chamber of Commerce will arrive in Hamlin on their annual trade trip. This will be Hamlin's opportunity to welcome a band of business men to our city that will mean something to our town and section.

TWENTY YEARS AGO
(April 20, 1951)

Final arrangements have been made for the showing in Hamlin of "Prince Of Peace" a new Hallmark film on the life of Christ. The unusual color feature opens at the Hamlin Drive-In Theatre Thursday, May 3 for a two day engagement.

The film based on the famous Lawton, Oklahoma Easter pageant held annually in the Wichita mountain near Lawton, will combine a realism of setting with an unusual and deep effective sincerity on the part of 3,000 Oklahomans who take part in the film.

During the present world crisis this film comes as a ray of hope to all who see it and brings fresh confidence and a deeper understanding of the greatest story ever told—that of Jesus. People of all faiths, colors and creeds will find a personal message in this non-secretarian film, according to a report made early in the week.

The Senior Class of Hamlin High School will spend the entire day Fri-

day on the campus of Abilene Christian College.

Occasion for the all-day meet is a program with Education for Citizenship and Vocational Guidance which is to be conducted there.

A student car caravan from Hardin Simmons University, Abilene will be in Hamlin Friday (today) to publicize the annual Intercollegiate Rodeo to be held April 26-28.

TEN YEARS AGO
(April 20, 1961)

A free pre-school clinic will be conducted in the primary cafeteria at 1:30 p.m. on Friday, April 28 for the children who will start to school next fall.

Dr. E. J. Hawkins, MD and Dr. Robert Snyder, DSS will be on hand to examine all the children.

In order that a health record for each child may be made, the mothers are asked to bring a record of the child's immunizations and the date of each.

Hamlin farmers and ranchers will visit Texas Agricultural Experimental Station at Spur Thursday, April 20, for a first hand look at silage and feeder program. The tour being sponsored by Hamlin B.C.D. Agriculture and Livestock Committee, with Robert Fowler, director-in-charge.

Everyone interested in livestock feeding is invited to attend. A group will leave from the B.C.D. office at 8:00 a.m.

A spring revival will begin at the Sunset Baptist Church Sunday, April 23, and will continue through April 30.

The Safe Driving Teen-age Road-e-o, sponsored by the Hamlin Jaycees had to be postponed last Saturday due to conflicting events, but will be held this Saturday, April 22.

Young people between the ages of 16 and 19 from Aspermont, Old Glory and McCaulley have been invited to compete with Hamlin entries.

Written tests will be given Saturday morning and the driving tests are to be held in the street in front of the High School Building Saturday afternoon.

The local winner will be given a plaque by the Hamlin Jaycees and each one entering will be given a certificate.

Winners are judged on skill in driving and their knowledge of the driving regulations.

Final plans for the Methodist Church's new building were approved by the building committee at a meeting April 10.

The plans were voted to be submitted for bids with the bids to be opened May 10.

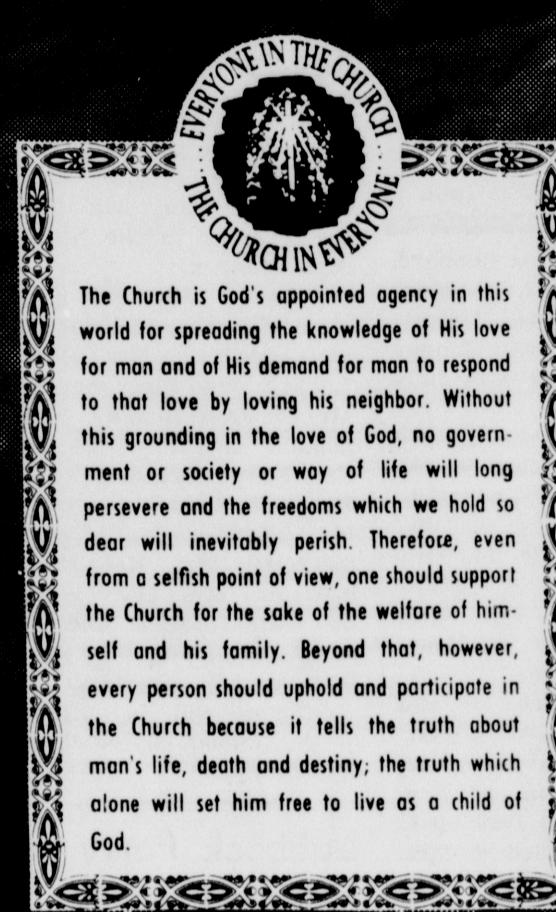

"For Me to Live is Christ"

"And the Lord shall guide thee continually, and satisfy thy soul in draught, and make fat thy bones: and thou shalt be like a watered garden, and like a spring of water, whose waters fail not."

Isaiah 58:11.

"For me to live is Christ" is to be living for a purpose—to serve God by drawing out my soul to the poor, lonely, hungry, and lost. "For me to live is Christ" is to lead men everywhere to Jesus Christ who is the fountain of the water of life. And He has promised that when I am in His service He will guide me, and satisfy me, and I shall be like the flowers in this picture, like a watered garden, sustained by Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

THE AIRPORT FROM THE AIR — This shot taken just after take-off from the Hamlin Airport shows that several planes did make it through cloudy skies here Sunday. The airshow and dedication ceremony were cancelled because of the weather.

GOOD TURNOUT — Some 180 persons were served barbecue by the Hamlin Jaycees at the Hamlin Airport Sunday after the airshow and dedication ceremony were cancelled because of cloudy weather conditions. Here, some of the people remained to visit together and watch some of the planes take off. The hanger owned by Hamlin Flying Service where the meal was served is in the background.

Insurance Institute Warns Parents About Mini-Bikes

Mini-skirts, mini-shorts . . . everything's a "mini" these days. But "mini-bikes," the latest craze in midget motorcycles, have the potential to cause maxi-headaches for many parents in Texas, the Insurance Information Institute cautions.

These packages of pint-sized propulsion look like toys, the Institute notes, and they are notorious for their ability to win their way into the hearts of youngsters — particularly those between 10 and 14. However, unless the driver is of legal licensing age (15 years old in Texas) or he operates the mini-bike only on his parents' own property, the vehicle is being operated outside the law and insurance coverage is non-existent.

Texas law prohibits operation of a motor vehicle by anyone under the age of 15 on any public street or thoroughfare in the state and mini-bikes come under the provisions of this law, the Institute says. This covers riding on sidewalks; in parking lots; in apartment complex entrances, exits and access roads, as well as alleyways and highways.

If the mini-bike is being operated by an underage driver on his parents' property, any damage or injury caused by that driver is covered — within the limits of the policy — by the usual homeowners insurance coverage.

However, the Institute cautions that if the vehicle is being operated outside these narrow limits, the parents of the driver assume responsibility for any damage.

We have the new POWER POINT Paper Mate pens and refills at the HAMLIN HERALD.

We have PASTELS and VELVOUR PAPER IN COLORS at the HERALD.

or injury . . . and neither the family automobile insurance nor homeowners insurance will offer relief.

The Institute urges parents

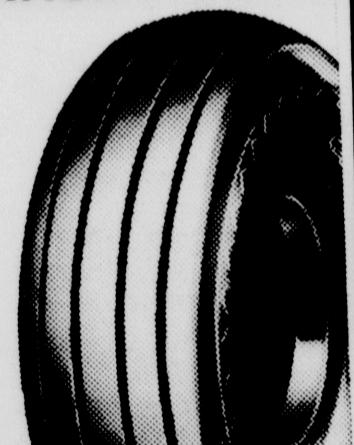

to consider the problems involved in allowing underage drivers to operate these mini-bikes, from the standpoint of possible harm to the child driving the vehicle and also from the standpoint of possible legal liability and resultant damage suits that could arise from injury or property damage that the youngsters might cause.

Set Aside Program Told Requirements for Acreage

Jones County farmers enrolled in the feed grain, wheat, or cotton programs are being reminded that the acreage set aside under each program should be as productive as the acreage normally used to produce the crop.

A. D. Hill, Chairman of the Jones County Agricultural Stabilization and Conservation (ASC) Committee, also advised farmers that their set-aside land must be acreage that was either in non-conserving crops planted for harvest last year or was used as diverted acreage under the farm programs last year.

He suggested that producers who have any doubt about whether their proposed set-aside acreage will meet the qualifications should check with the County ASCS Office as soon as possible.

Mr. Hill pointed out that at the time producers come in to the County Office to certify their set-aside acreage, they must specify precisely where the set-aside acreage is located. FINAL DATES FOR certification are: May 1, 1971 for WHEAT, and August 1, 1971, for COTTON AND FEED GRAIN.

After a producer has certified, if a mistake is found in his set-aside acreage he could lose some or all of his farm program payment.

"A farmer who is not quite sure whether his set-aside meets all requirements would be well advised to check with the County ASCS Office ahead of time. Also, he can request measurement service, which, if followed, will give him a guarantee that he has enough set-aside acreage. Measurement service is offered by the County ASCS Office at cost," Mr. Hill said.

Producers in the voluntary feed grain, wheat, and cotton programs for 1971 set aside

a percentage of their land to conserving uses, and will also maintain their farm's conserving base acreage. On the rest of their acreage they may plant as much feed grain, wheat, cotton, or any other crop they choose, with the EXCEPTION OF quota crops. Quota crops include peanuts, tobacco, rice, extra long staple cotton, and sugarcane, which may be planted on farms with allotments for these crops.

Texas Farmers To Receive Crop, Livestock Query

During the last half of May, some 22,000 Texas farmers will receive at their mailboxes a most important questionnaire from the Texas Crop and Livestock Reporting Service in Austin.

County Agent Kirby Clayton says it will be the annual acreage survey and that

many farmers in Jones County will be included in the 22,000. The information derived from the replies will be the basis for the official estimates of crop acreage for the State of Texas and for each county.

Cary D. Palmer, State Statistician for the Texas Reporting Service, emphasizes the importance of getting back just as many of the 22,000 questionnaires as possible so that each county will be well represented. Accurate estimates are of great importance to farmers in planning production and marketing and in providing an unbiased picture of Texas Agriculture, Palmer adds.

The Texas Legislature, explains the county agents, has provided a program of estimates for each county. Because Texas covers such a wide area, State totals alone do not provide adequate information on our most basic industry; hence, the need for county information. The program is a cooperative effort of the U.S. Department of Agriculture's Statistical Reporting Service and the Texas Department of Agriculture.

Approximately 500 people attended the 37th annual Stockholders meeting

Lasater Hensley Elected Rolling Plains PCA Head

At a meeting of the Board of Directors at the Childress Office following the annual Stockholders Meeting of the Rolling Plains Production Credit Association, Lasater Hensley, Guthrie, was elected Chairman of the Board and Dean Decker, Childress, was elected Vice-Chairman.

J. P. Perrin, Haskell, was elected at the Stockholders meeting to succeed C. G. Burson, Sr., Haskell, who retired from the Board after 31 years service as a Board member. Other members of the Board include W. C. Jiggs' Mann, Clarendon, who was re-elected for a 3-year term, and Mack T. Claburn, Anson.

Officers re-elected at the organizational meeting of the Board include the following: J. L. Hill, Jr., president; J. R. Gleaton, vice president; R. C. Cobb, vice president and secretary; Bill L. Glenn, vice president; Joe A. Hanson, treasurer and Carolyn Ford, asst. secretary.

Approximately 500 people attended the 37th annual Stockholders meeting

McDONALD TO REGIONAL—

Hamlin Wins Junior Division In District 7-AA Track Meet

Barry McDonald, Hamlin junior, was the only Piper track team member to qualify for regional at the District 7-AA meet held at the Abilene Christian College track Saturday. McDonald won the pole vault with a height of 10'.

He will compete Saturday morning at 9:30 in Lubbock.

Hamlin captured the Junior division of the District meet with 161½ points and came in sixth in the senior division with 18½ points. Haskell won the senior division with 159 points to edge out favored Stamford who had 155 points.

The junior division is for freshmen and under. Haskell had 105½ points in this division for second.

Johnny Jones, Hamlin eighth grader was high individual in the junior division.

Expresses Thanks To Merchants

Dear Sir:

We, the members of Hamlin Camp Fire Board of Directors,

wish to thank the Hamlin merchants for providing

tickets to the recent Shrine Circus for the girls in our

Bluebirds and Campfire Girls.

We would like to extend a

special thank you to Mrs.

Vera Hughes for her efforts

in coordinating our trip.

We realize that our effectiveness with this Camp Fire organization depends on the support and interest of the community, and your interest

is gratifying.

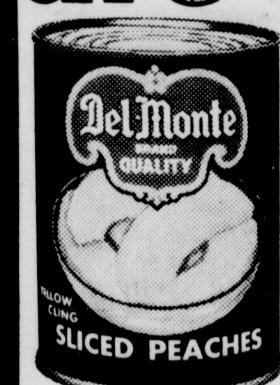

Hamlin Camp Fire Council

Mrs. Bill Brown

Secretary, Board of Directors
